Letter the Editors: The Bible’s Clarity on Homosexuality

I am writing in response to Ken Roth's article on homosexuality and the church. It has become a source of contention in the church, even though the Bible is very clear about it.

In 1 Corinthians 6:9-10, it says, “Surely you know that the wicked will not perish in the flesh, nor the sinner in the变为和。然而，我所认识的某大学的教授，他告诉我们，什么样的法律可以通过。若要给这样的残酷的人，为什么？

I am unable to finish my program on campus. I was transferred to Howard University in the fall of 2002, which was a huge disappointment. While I was unable to attend the graduation ceremony, I am happy to report that I will be receiving my degree from Howard University in May 2003.

Statement from the Board of Trustees

Statement generated during the executive session of the EMU Board of Trustees meeting. Nov. 9, 2002:

In this time of transition following the formation of Mennonite Church USA (MC USA), we the Eastern Mennonite University Board of Trustees:

1. Express our affirmation of the formal relationships between Eastern Mennonite University and MC USA and between EMU and Mennonite Education Agency.

2. To express our affirmation of the Confession of Faith in a Mennonite Perspective as a guide for the activities of Eastern Mennonite University, including personnel policies. As employees of a church-owned institution, all faculty and staff are expected to affirm and uphold their commitment and support of “EMU’s Mission, Vision, and Shared Values Statements, Community Lifestyle Commitment” and “Confession of Faith in a Mennonite Perspective.”

3. To state our understanding that persons who publicly advocate positions contrary to “EMU’s Mission, Vision, and Shared Values Statements, Community Lifestyle Commitment” and “Confession of Faith in a Mennonite Perspective” are not abiding by their commitment and thereby jeopardize their positions as employees of the university.
